## AUGUST 2, 2005 ELECTION NOVEMBER 8, 2005 ELECTION Campaign Finance Act Requirements for Candidates

All candidates must form and register a Candidate Committee even if he or she uses personal funds to campaign, does not receive or spend any funds when seeking office, or is running a write-in campaign. An individual becomes a candidate through, but not limited to, the following actions:

- filing a nominating petition or filing fee for an elective office
- accepting a contribution in an attempt to be nominated or elected to office
- making an expenditure in an attempt to be nominated or elected to office
- giving consent to someone else to receive a contribution or make an expenditure in an attempt to be nominated or elected to office

As soon as a person becomes a "candidate", he or she has **ten (10) calendar days to form a Candidate Committee**. After the committee's formation date the candidate has **ten (10) additional calendar days to register the committee with the Macomb County Election Department**. To register, the committee files a Statement of Organization.

A committee discloses its campaign finances on Campaign Statements. A committee that does not expect to receive or spend more than \$1,000.00 for any election can obtain a Reporting Waiver by checking item 10 on its Statement of Organization. A committee that maintains a Reporting Waiver is exempt from filing Campaign Statements. Committees without a Reporting Waiver must file Campaign Statements according to the following schedule:
